Vice Chair Report

Tēna Tātou Katoa e Te Whānau Whānui o Ngāti Hāua

He mihi nui, he mihi mahana kia koutou katoa, anei tōku rīpoata, ka huri ki te reo pākehā.

Well folks, we are at the table with the Crown at last. Yes, the first stage of negotiations, the Agreement in Principle (AIP) is now being actioned.

This has been a very busy time for everyone. Our research team leader Lois Tūtemahurangi doing the majority of the load alongside our Chairperson Eugene Topine and with the skills of Louise Wahapa joining the team recently has proven to be a great asset. The mapping work being done by Jake Robinson is also invaluable.

We wish our Project Manager Megan the very best as she settles into her new life in the South Island. Although sad to see her go, she has offered to help where and when she can – I'm sure this offer has not been taken lightly by all.

I guess with this news I can now introduce our new Project Manager, Terese Perkins. Terese has already been in the office working tirelessly with the previous Project Managers' so it is fitting that she now take the role and put her skills to work. Terese has already proven herself to be a trail blazer as she daily works through her tasks.

Our Office Administrator, Charbelle Hepi has also recently left and we wish her all the best as she starts her new journey studying Law.

Our new Office Administrator is Cara Wahapa. Cara is not new to the job as she has worked in the role in other Iwi projects. The whakaaro around having our own to do the mahi is not only for them with the ability of using their skills for their own, but also for the good of our people. We are very lucky as hapū and Iwi to have these skills in our midst.

We have had the Crown (OTS) come to Taumarunui and do site visits over a period of three days. Te mamae me te tangi o te ngākau mō āku Tūpuna, 'auē taukiri ē', engari anei te mahi o ona mokopuna katoa, te Iwi me ngā hapū o Ngāti Hāua.

To have our kaumātua Kevin, Florence, and Koro Joe Allen-Tihu with Piki at the table while the team have been working has been awesome. To hear their kōrero with the emotions only they can hold as they have walked through the years with those who have gone before them. The Kōrero that has been passed down to them and now to us as the team tries to capture the words spoken is totally priceless. Ngā mihi aroha ē Koro, ē Kui mā.

WHĀNAU – HE PĀNUI TENEI

We would like you ALL TO BE INVOLVED and come along. We apologise for the short notice, this is totally due to the intensity of the workload that is being put into place, and of course his availability. Please come to the office and offer your help if you feel you would like to participate in preparations at the Marae and on the day – it would be appreciated.

We the Trustees, would also like to encourage you Whānau to register with Ngāti Hāua. Registration forms are available at the Ngāti Hāua office or at Cycliks Re-Usable Shop on Hakiāha Street. Also you can register online – www.ngatihaua.iwi.nz

Finally, I would like to extend a huge thank you to our whānau in Whanganui, the WLSNT for their awahi, tautoko and experise they share and support us to implement. Tracey and Ken, thanks to you and your team.

'Wow', our team is on the waka. We are excited as we move together with clarity and transparency – it is awesome we love it, and are ready to move into the next phase of task set before us.
