I am a koko to eight Ngāti Hāua mokopuna, I was born and raised in Taumarunui and my whānau and mokopuna still live here. I am standing for nomination for the Ngāti Hāua Iwi Trust for them, my kaupapa is to create, inspire and sustain. Create change for our iwi and to inspire our mokopuna and whānau to achieve. I am proud of the legacy of dedication, commitment to hapū, and work within our Maori communities, that my grandparents Julie Te Turi Ranginui and Te Koni Houapapa and my great grandparents Wairangi and Kuia Hurst and Haami (Sam) and Te Waiata (Viney) Houapapa gave for the benefit of their people. I am hoping that with the support of my people in this election I will be given the opportunity to continue this legacy.

### **Aspirations**

I am passionate about our whenua, our hapū, marae and people. I am committed to seeing our whānau prosper. I want to see our assets managed well and the income used wisely with real benefits for our people.

As a Trust member, I would like the opportunity to realise the many aspirations that our whanau have for themselves, and our whenua. My key focus is sharing and gathering information for whanau to make a good decision on the direction Ngāti Hāua will be taking in the future and ensure that the interests and rights of our iwi are protected and our history, tikanga and values are upheld. These are exciting times, and there will be many challenges. I promise to continue to be hardworking, optimistic, analytical, thorough, patient and honest.

### **Skills Knowledge and Networks**

I have been heavily involved in work for our hapū on the Whanganui for over 10 years and worked closely with our rangatira and kaumātua. Along the way I have lived and learnt about the history and tikanga of our people and our whenua as well as the challenges that we face. I have developed many helpful contacts in central and local government, iwi and hapu groups, and researchers and advisors. My experience has helped me to gain skills, knowledge and contacts, I am experienced in:

- Listening and seeking the advice of my people;
- Ensuring there is real, honest and regular communication
- Seeking and exploring opportunities;
- Identifying and mitigating risk;
- Analysing information; and
- Negotiating with a wide range of people and organisations.

I am willing to listen to what our whanau have to say and to work as part of a team to achieve our goals. Above all, you can count on me to give 110%.

Nā reira, e te whānau o te hau kāinga, e noho ki wāhi kē atu, koira āku kōrero mō te wā.

Tēnā koutou, tēnā koutou, tēnā koutou katoa.
